

With a heavy heart and After 30 years in business Kraftees will be closing May 22nd 2020. Since opening in Herkimer NY way back in 1989 and moving to Oswego in 1990 we have been serving the Oswego State community with the best College Clothing, merchandise and Textbooks. All will be missed but the memories or great days, pageantry, Bridge Street Runs (unofficially of course) Ozfest, Springout, Frostbit Blue and Harborfest will live forever.

Kraftees opened our second store at Cornell University in 2001. With Kraftees Orientaion shirts everywhere we saw the end of the likes of Johnys Big Red, The Royal Palm and The Nines. Collegetown Bagels will live forever... A big ass pumpkin on the Bell Tower, Slope day and the Dragon festival.

Starting March 9th all Oswego State clothing will be 25% off and Merchandise will be 50% off. In Mid April, weather permitting we will be setting up the tent in the parking lot for even more impressive discounts on select Cornell and Oswego State clothing.

We hope that our friends, customers and Alumni will stop by to wish us well before May. we have proudly met countless friends, grew with great employees and weaved into the social fabrics of Oswego and Ithaca.

We thank you all and wish you well.
